Subject: RE: First Energy Complaint

Interesting, looks like someone who has access to facility, though I don't see any evidence of recent filling. I did get a call from a lawyer who stated he represented 'interested parties', but only wanted to know if EPA was involved – I confirmed.

Subject: First Energy Complaint

Hi Joe and Greg,

I just wanted to let you know that we received another letter and photos regarding the First Energy site in Ottawa County. See attached.

Thanks,
Heather
